

To: All Scouts and Troops, Ormskirk District.

Re: West Lancashire County Scout Council, County Rally 2010

Date: 14<sup>th</sup> May - 16<sup>th</sup> May 2010, Waddecar County Scout Camp.

From: Gary Phillipson, Assistant District Commissioner (Scouts)  
Ormskirk & District Scouts.

Dear Fellow Scouters,

It is that time of year when we all look towards spring and the thoughts of the annual County Rally. This Camp/County Jamboree is the largest of its type in Northern England and is a spectacle not to be missed. From a leader's point of view it is an ideal opportunity to get a few nights away under the belts of your Scouts contributing towards awards and an excellent opportunity for you to meet other leaders in your District and County and recharge your Scouting batteries now the winter is over.

This year's District contingent to the rally will be organised by the District Section Team and will involve central catering and central transport, it will also include your involvement giving you the opportunity to develop your night's away experience and nights away log books.

After the enormous success of last year's rally and an exceptionally large turn out by the District, I have fixed the cost as the same as last year, in an attempt to keep the cost at low as possible, despite the County Rally fees payable by the District to County being increased.

The section team have worked exceptionally hard to keep the price of the Rally as low as possible this year whilst providing exceptionally good value for money. The price includes transport to/from Waddecar County Scout Camp from designated pickup/drop off points all across the District, All meals, The Rally Badge, Camp site fees, all activities. We have also attempted to give a discount of the cost for Leaders and Young leaders to reflect your valued contribution to the District and Scouting.

This year's pricing schedule is as follows :-

Scouts	£32.00p per head.
Leaders	£17.00 per head (Discounted).
Young Leaders	£17.00p per head (Discounted).

Bookings can now be accepted by return. Please make all cheques payable to "Ormskirk & District Scouts" and crossed. Please use the attached booking form, do not send cash through the post. All receipts will be provided.

to leaders at the Rally or at the County Rally leaders planning meeting in late April/early May. All bookings to be sent to Gary Phillipson, Ormskirk & District Scout Section Team, County Rally 2010, 49 Sephton Drive, Ormskirk, Lancashire, L39 1PN.

This year we will be organising ONE central home contact for everyone attending. I will send you documentation over the next few weeks so that you can send me the names/addresses/Phone numbers of Scouts etc. I will also send you the air rifle shooting consent forms.

Please ensure that you check the dietary requirements of Scouts and notify us on the booking form so that we may make the appropriate arrangements. All enquires to Gary Phillipson ADC(Scouts) Tel 07824484917

The Closing date for bookings is the 16<sup>th</sup> April 2010 sharp with all fees paid in full. Please note that we have had to include a cancellation fee of £10.00 per cancelled person this year to cover the cost of out of pocket expenses to the District once a booking has been accepted. There will be a County Rally Leaders meeting at Lathom HQ (TBC). If you miss the closing date, no Scout/troop will be turned away but you will have until the 26<sup>th</sup> April to book direct with County and arrange your own transport/catering.

Please could you ensure that all Scouts attending the rally have in their possession a personal first aid kit and know how to use it? The first aid policy for the Rally will be self aid by the Scouts, First Aid by the Troop Leader(s), First Aid by the District team / County Team and Finally Secondary Aid by hospital/specialist centre.

Scouts wishing to participate in the air rifle shooting competition must have a completed Shooting consent form which must be retained by their leader until the time of participation, no form no activity. Can you ensure that parents receive the advisory pages on the firearms act when you receive it.

Please inform your YL's to notify the Young Leader's Unit if they are attending so that they can produce a nights away passport for them. Copies of all the Rally documentation can be found on the District Scout website at [www.ormskirkscouts.org.uk](http://www.ormskirkscouts.org.uk) .

Yours in Scouting,  
Gary Phillipson, Assistant District Commissioner (Scouts)  
Ormskirk & District Scouts.

## WEST LANCS COUNTY SCOUT COUNCIL

### 2010 COUNTY RALLY

#### Booking form

This form must be returned to your ADC Scouts along with the full fees before the 16<sup>th</sup> April. Failure to do so may result in places being allocated elsewhere
